Quiz 1B, programming section.

20 points

- Build main layout and layout 2 below (10 points)
- Activity 1 that shows the main layout
- The user enters user name and password
- the user needs to enter something in both textedits (name/password)
    - when the user clicks on SUBMIT, go to activity 2 (red-apple). You can use any image, or redapple.jpg. (5 pts)
- Layouts should resemble what you see in both activity
- If the user leaves the textedits empty and presses SUBMIT, show a toast message (5 pts)
  Toast.makeText(context: this, text: “enter your name or password”,
  Toast.LENGHT_SHORT).show();
